

# November 2022 Chartwells Newsletter

## What's New?

Did you know that paying attention in class can improve your cooking skills? Math concepts like counting, measurement, and fractions naturally unfold when navigating a recipe. Students at Poplar Bluff School District will learn basic cooking skills and taste homemade recipes with the Chartwells K12 Discovery Kitchen in November.

## A Reason to Celebrate!

### November 3: National Sandwich Day

Whether you stack it high or thin, National Sandwich Day on November 3rd recognizes one of America's favorite lunch items.

### November 6: National Nacho Day

Since the time of the original nachos, the toppings have expanded. Today we add beef, chicken, and seafood along with a variety of seasonings. This snack even satisfies the pickiest eater. Whether you're a vegan to full-on carnivores, there's a nachos recipe for you. Since Nov 6 falls on a Saturday, we will celebrate on Friday, November 5.

### November 11: Veterans Day

Veterans Day occurs on November 11 every year in the United States in honor of the "eleventh hour of the eleventh day of the eleventh month" of 1918 that signaled the end of World War I, known as Armistice Day.

### November 25: Happy Thanksgiving!

## Fun Fact!

The taller the hat, the more knowledgeable a chef! There are traditionally 100 creases in a chef hat, one for each way an egg can be cooked.
