

January 2023 Newsletter

Chartwells Poplar Bluff School District

January is the Great American Roadtrip month in the cafes where we'll be engaging students with fresh recipes, delicious demos, and fun and informative nutrition education. The Great American Roadtrip allows students to experience this great country through the power of food! We will take your students on journey through the quadrants of the U.S., where they will learn about local favorites of each region and, about the geography that allow these regions to produce certain foods for the entire country.

In January, Chef Olivia will organize Discovery Kitchen experiences in the classrooms with interactive ways to spark students' curiosity about agriculture and cuisines around the country.
