## **PUBLIC NOTICE**

All responsible public agencies are required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including children attending private schools, children who live outside the district but are attending a private school within the district, highly mobile children, such as migrant and homeless children, children who are wards of the state, and children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade. The Poplar Bluff R-I School District assures that it will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under its jurisdiction. Disabilities include autism, deaf/blindness, emotional disorders, hearing impairment and deafness, intellectual disability, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, visual impairment/blindness and young child with a developmental delay.

The Poplar Bluff R-I School District assures that it will provide information and referral services necessary to assist the State in the implementation of early intervention services for infants and toddlers eligible for the Missouri First Steps program.

The Poplar Bluff R-I School District assures that personally identifiable information collected, used, or maintained by the agency for the purposes of identification, evaluation, placement or provision of FAPE of children with disabilities may be inspected and/or reviewed by their parents/guardians. Parents/guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

The Poplar Bluff R-I School District has developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with Disabilities Education Act (IDEA). This plan contains the agency's policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the agency's assurances that services are provided in compliance with the General Education Provision Act (GEPA). This plan may be reviewed during school hours or at other times by appointment by contacting:

Mindy Garrett, Director of Special Services at Poplar Bluff Central Office, 1110 N. Westwood Blvd., Poplar Bluff, Missouri, (573) 785-5768.

This notice will be provided in native languages as appropriate.

### **POPLAR BLUFF R-1 MISSION STATEMENT**

ACHIEVING EXCELLENCE THROUGH LEARNING: EVERY CHILD, EVERY HOUR,  
AND EVERY DAY.

#### **PBTCC Mission Statement**

The Poplar Bluff Technical Career Center will provide career and technical education for professional success within a curriculum framework that reflects the relevancy of our times, industry and needs of our community.

#### **POPLAR BLUFF TECHNICAL CAREER CENTER PHILOSOPHY**

The society, from which the educational needs of the people stem, must be aware of the fact that the needs of youth change from generation to generation. The period of time in which we live today has seen more technological advances in science and industry in the past twenty years than all previous years in recorded history. We should keep these concepts in mind as we accept the challenge to provide technical education programs that reflect the new emerging economy and social changes of our time. If a society is to succeed, it will be necessary for each individual to formulate certain ideals, practices and beliefs in order to make a contribution to the perpetuation of our culture. A realistic concept must be developed which will enable each individual to function effectively in a society.

It is to this end that we accept the responsibility to provide vocational-technical education for those who need it, to provide a curriculum that reflects the relevancy of our times and the needs of our community. The Poplar Bluff Technical Career Center of Cosmetology has high expectations for students to develop:

- Customer service mastery
- Entry-level skills
- Desirable work habits
- Effective team member techniques
- Knowledge of a safe environment.

#### **OBJECTIVES**

Upon completion of the program students should be able to:

- Perform those skills necessary for an entry-level position in the field of cosmetology.
- Communicate effectively with employers, employees, peers, and patrons in a constructive manner.
- Develop an awareness of the scope of the cosmetology field.
- Recognize the need to continually up-grade individual skills and keep current with the trends in cosmetology. □
- Learn to select wisely, care for, and use properly commercial products that are related to the application of beauty treatments.
- To foster an appreciation of the contribution of the science and art of cosmetology to progress in the fast moving industry of today.
- Perform their duties in a professional manner.

## **REQUIREMENTS FOR ADMISSION**

### **PREREQUISITES:**

- 17 years of age at time of Board of Cosmetology and Barber Examiners application
- \$5 Check or Money order made out to the Missouri State Board of Cosmetology and Barber Examiners
- GED/HiSet or High School Diploma
- Barber program Specific – Must complete Barber Student Medical Exam Form
- 2 photos measuring 2” x 2”
- Copy of Driver’s License or Birth Certificate
- Achieve a passing score on the ACT WorkKeys
- Submit a copy of up-to-date immunization records
- Complete an Interview

## **TUITION**

The total cost of the program for post-secondary students can be located in the PBTCC School Catalog. The published amount includes tuition, program supplies and student license. A payment plan is outlined on the “Payment Plan Agreement”. Financial aid may be available. Applications are available through the financial aid coordinator. Students that become delinquent in their payments will be notified. If payment is not made, the student will be terminated from the program. Upon payment, the student can be re-instated at the time of the first available opening. The student must pay the cost of having the student license reissued. Secondary and post-secondary students must pay a non-refundable deposit of \$100.00 upon notification of acceptance. This non-refundable deposit reserves your enrollment status in the program and initial expenses for program supplies. This amount will be subtracted from the total program cost.

## **REFUND POLICY**

A student’s initial tuition entitles the student to attend classes for 1220/750 hours, the expected time as calculated by the program coordinator. This time may vary depending upon factors that affect the school calendar and specific program. Each class will have a reasonable ending date established by the PBTCC director and cosmetology instructors. This date will be estimated before each class begins. If a student requires additional time due to absences, a fee of \$10/day for make-up time will apply. Student refunds will be handled as outlined in the PBTCC Catalog/Handbook.

## **STUDENT LICENSE**

Each applicant must pay \$5.00 by check or money order for a student license. This fee is due upon notification of acceptance to the class. Payable to the Missouri Board of Cosmetology and Barber Examiner

## LICENSING REQUIREMENTS

Upon graduation, students will be registered for the next regularly scheduled Missouri Board of Cosmetology and Barber Examiners Licensing Exam by making application, and paying a registration-testing fee. The licensing exam consists of written and practical phases.

The written test is given daily at several sites throughout the state. The test is given in St. Louis on the first Monday of the month, in Kansas City on the 2<sup>nd</sup> Monday, in Jefferson City on the 3<sup>rd</sup> Monday, and in Springfield on the 4<sup>th</sup> Monday of the month. Applicants will receive results via email after they complete their test. This may take up to a few weeks. Students who fail the examination will receive a diagnostic breakdown of their strengths and weaknesses along with appropriate forms for retake of the examination. Students must register within two months of completion of program hours. The regulating agency for the practice of cosmetology in the State of Missouri is the:

Missouri Board of Cosmetology and Barber Examiners  
P. O. Box 1062  
Jefferson City, MO 65102  
573-751-1052

## PLANNED CURRICULUM

### **Cosmetology**

The first 160 hours of training will be conducted in the classroom with both theory and practical work on mannequins and on fellow students. Following the first 160 hours, the remaining weeks of the course are divided into hours of theory and practical work in the clinic. Clinical work is done on patrons as well as on fellow students in a salon atmosphere under constant supervision and individual guidance from the instructor.

### **Esthetician**

The first 100 hours of training will be conducted in the classroom with both theory and practical work on mannequins and on fellow students. Following the first 100 hours, the remaining weeks of the course are divided into hours of theory and practical work in the clinic. Clinical work is done on patrons as well as on fellow students in a salon atmosphere under constant supervision and individual guidance from the instructor.

### **Barber (HS Only)**

The first 160 hours of training will be conducted in the classroom with both theory and practical work on mannequins and on fellow students. Following the first 160 hours, the remaining weeks of the course are divided into hours of theory and practical work in the clinic. Clinical work is done on patrons as well as on fellow students in a salon atmosphere under constant supervision and individual guidance from the instructor.

## **STUDENT ORGANIZATIONS**

Clubs and organizations related to the school's programs play an active and integral part in the school's atmosphere. Cosmetology program students can become members of SkillsUSA. Officers are elected at the beginning of each year. Students are encouraged to participate in activities at the local, regional, state and national levels sponsored by SkillsUSA. These activities provide leadership and person growth experiences. Fundraising activities take place only as authorized by SkillsUSA sponsors and the PBTCC director. The primary purpose of funds raised is to provide financial support for students participating in the SkillsUSA organization and activities. The students will be introduced to organizations of cosmetology such as: NCA, National Cosmetology Association. Students who qualify will be invited to join the National Technical Honor Society (NTHS) a CTE honor society specifically for career education students.

## **PLACEMENT SERVICES**

The Poplar Bluff Technical Career Center offers placement service for students through the Missouri Division of Workforce Development. We provide access to representatives who have access to job market data for local, state and national employment opportunities.

The Poplar Bluff R-1 School District is an equal opportunity employer and operates educational programs that do not discriminate on the basis of age, race, color, creed, religion, national origin, sex or marital status with regard to public assistance of disability or handicap. The school district is prohibited from discriminatory practices by Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act, and Title II of Americans with Disability Act of 1990.

## **RULES AND REGULATIONS**

Students are expected to abide by the rules and regulations set in this handbook. Other rules found in the Missouri Board of Cosmetology and Barber Examiners Statutes and Rules, Technical Career Center handbook, and the Poplar Bluff R-1 handbooks may also apply.

## **TIME CLOCK**

Each student will clock only themselves in and out at all times. Any student caught clocking other students in or out at any time will be given a written warning. The second offense will automatically result in termination from the program.

## **TIME CLOCK POLICY**

1. Students will clock in when they arrive at school, out and in for breaks and for lunch, and clock out at the end of the day.
2. Failure to clock in/out at time of arrival and/or returning from lunch or break and/or when leaving for the day will result in loss of verifiable hours.
3. It is the student's responsibility to maintain proper procedures when clocking in/out to insure all allowable clock time is credited. (Three requests can be submitted for review to the Director)

Any time a student forgets to clock in, their time will begin after break at the time that they clock in. Edits will not be made to shorten this time. Any student that leaves the cosmetology campus must be clocked out. Failure to do so will result in a written warning for the first offense, probation for the second offense, and termination for the third offense.

The PBTCC campus is considered a closed campus for secondary students. Secondary students are not allowed to leave campus without prior permission and checking out through the main PBTCC office. Attendance and tardy policies as stated in the Poplar Bluff High School handbook apply to all secondary students.

## **DRIVING**

Secondary students are expected to follow all rules of driving that are found in the High School Handbook. Once a student has driven on the school property, they are expected to park the car until leaving after school, or until such time that they have permission to leave. Students are not permitted to sit in their cars.

All students are expected to drive safely and within posted speed limits.

## **PRIVACY**

Students will be working closely with each other and customers. However, each other's privacy should be respected at all times. Students are not to look thru other students' personal belongings or cosmetology assigned kits or cabinets without permission. Taking supplies from each other without permission will result in a written warning and possible termination. Personal information heard or overheard from customers and/or other students while at school is not to be repeated either in school to other students or customers, or outside of school to anyone. The confidentiality of our students and customers must be respected.

Students are not to enter the instructors' office at any time without permission.

## **CLINIC RULES (More detail in the Programs Clinical Handbook)**

1. School approved smocks or aprons must be worn at all times.
2. Clean, professional-looking, closed toe, shoes must be worn at all times.
3. Fingernails (natural or artificial) must be kept short and shapely at all times. This is a safety measure for student and client. If a student's nails interfere with their ability to perform clinical duties they will be asked to trim them to a reasonable length.
4. All supplies in kits must be labeled. Kits are not to be taken from school until graduation or during skill competitions.
5. Keep chair, work stations, and floor free from hair at all times.
6. No smoking will be allowed.
7. Gum chewing is allowed in break area only.
8. All work must be checked by the instructor daily.
9. Students are expected to be courteous to instructor, other students and patrons.
10. No profane language is allowed.
11. Students may have personal services done with the instructor's permission; however, students must pay a minimal fee to cover supplies and overhead.
12. Area clean-up must be approved before students can leave building.
13. Only student assigned to appointment desk should monitor calls, make appointments and receive patrons.
14. Pets are not allowed in the building.
15. Students are not allowed to receive or make personal phone calls with the exception of emergencies.
16. Instructor may request a physician's note in the event a contagious disease is prevalent.
17. Student nametags must be worn at all times.
18. All reading material must be related to cosmetology.
19. All phases of personal hygiene must be practiced daily.
20. Students must park vehicles in areas designated by the school.
21. All personal articles, purses, books not related to cosmetology, etc. must be kept in lockers at all times.
22. If a student refuses to perform an assigned customer service or classroom activity, they will be instructed to clock out for the remainder of the day.

## **CLASSROOM RULES**

1. No food will be allowed at classroom tables.
2. Once class begins, no student is allowed to leave the classroom without permission. If they do so, the student must clock out for the remainder of the class period.
3. Only Cosmetology textbooks, workbooks, and State Rules and Regulations books will be allowed at the school. Any reading material must pertain to hairstyling, cosmetology, or nail care. Any student found with other reading material will receive a written warning for the first offense. The student will be placed on probation for a second offense, and will be terminated for a third offense.
4. If a student does not participate in and/or stay attentive during class, they will be instructed to clock out until class is over. They will also lose their morning break.
5. No Cell phones allowed in the classroom unless instructed by the instructor to have them. Having cell phones out during class may result in the student being clocked out, therefore losing hours.

6. Students are to remain awake and alert during classroom time. Theory is an important part of the learning experience

## **ATTENDANCE**

The importance of regular attendance and punctuality cannot be overemphasized. Employers are interested in dependability. Each student is expected to be in school regularly unless hindered by his/her own illness, or other illness or death in his/her family. If you are going to be absent or late, you should call the school before 8:00 a.m. This program is a clock hour program. 1220 hours is required to complete this program. The designated number of hours for each program is required to complete the program of choice.

Cosmetology - 1220 hours

Esthetician - 750 hours

Barber (HS Only)- 1000 hours

Students receive weekly updates as to status of clock hours of attendance. At any time an adult student accumulates the minimum number of allowable hours of absences for a specific cosmetology program the student will receive a warning and be placed on attendance probation. Students may lose financial aid eligibility while on attendance probation. Financial Aid/Adult Coordinator will schedule a conference with student to discuss possible consequences. Should an adult student accumulate and go over the maximum number of allowable hours of absences for a specific cosmetology program, the student may be terminated from the PBTCC cosmetology program for a violation of the attendance policy. The appeals procedure may be implemented at this time. It is essential for the student to document reasons for absences in the event a termination for violation of attendance policy should take place. Rules concerning absentees are found in the Title IV Federal Rules and Regulations.

**Secondary students will follow the High School Handbook concerning absentees. Post-Secondary students will follow the absentee policies included in this handbook.**

Five days of no attendance and no contact with the school will be considered as a request for termination. The student's license will be sent back to State Board with a termination form as required by the State Board Statutes and Rules. If a student requests to return to school after this has been done, a new application for student license will be required, including an additional State Board Student License Fee, and the student will have to wait until the new student license is received from State Board before beginning to attend class again.

Secondary students that have not completed the 1220 hours by the last day of school or expected finish date must pay the rate of \$10 per day in order to complete the program.

Adult students that have not completed the 1220 hours by the designated completion date must pay \$10.00 per day in order to complete the program.

These times may be extended only by the TCC director in the event of a pro-longed medical illness or a family emergency. The request for an extension must be submitted in writing to the TCC director prior to the completion date of the class.

## ABSENCES

The following absentee schedule is followed:

0 – 25 hours: Warning. Make-up time recommended but not required; conference with instructor and Financial Aid/Adult Coordinator

26-50 hours: Probation. When a student misses over 50 hours a warning letter will be given to the student and the student is placed on attendance probation and must attend makeup days.

**When a student misses over 75 hours, they are subject to termination from the program.**

Any time a student misses any time from classroom and clinical work, they must fill out an absence report upon returning to school. If a student leaves class early, an absence report form should be filled out before leaving. Students should always tell either the coordinator or an instructor prior to leaving. A student who leaves early without completing an Absence Report AND without notifying an instructor will receive a half day suspension. Please note: Students must both notify the instructor AND complete an absence report.

### PROCEDURE FOR CALLING IN WHEN ABSENT OR TARDY

The student MUST report the absence to a PBTCC staff member before the beginning of class. DO NOT leave a message with anyone except the faculty or staff. If calling in before school hours, a message may be left on the answering machine or students may email or send a remind. If a student is absent and does not call in or has not filled out an absence form in advance, they may be suspended for one day. If they are absent half a day and do not call in, they may be suspended for half a day.

### TARDIES

All students that arrive after 8:00 a.m. must report to the main TCC office and sign in on the official “sign in” sheet. Students arriving after 8:00 a.m. (or after scheduled class time) will be allowed to clock in when they arrive. If class has not begun they may join the class. If the class has begun (usually noted by the closing of the classroom door) they will need to work on mannequin work until class is over. However, once a student has accumulated 4 tardies, on the 5th and following tardies they may not be allowed to clock in until class is over, or at 9:30 a.m., whichever is earlier. Tardiness to class will be counted on a semester basis. The third tardy and following tardy may result in an office referral.

Consequences for secondary tardies	Consequences for secondary tardies	Adult Tardy Consequences
3 <sup>rd</sup> Tardy	2 detentions	2 days required clock in at 7:30 a.m.
4 <sup>th</sup> Tardy	4 detentions	4 days required clock in at 7:30 a.m.
5 <sup>th</sup> Tardy	1 Saturday School	Must attend all day on next scheduled half day

Further referrals for tardiness will result in OKIS/Out- of-School suspension. Disciplinary consequences for sending school students will be referred to their home school. Post Secondary Consequences may include counseling, suspension and program termination.

## **DRESS CODE**

All students are subject to Missouri State Board of Cosmetology rules and regulations and to Poplar Bluff R-1 regulations. Students should dress in good taste that shall not attract other than normal attention. Properly attired students are usually more respected and admired by their fellow classmates, the faculty, and the community. Clean appearance is expected at all times. School shirts will be issued to each student. Additional shirts may be purchased. These shirts and blue jeans or black pants or slacks must be worn daily in both the class and clinical settings. Students that attend class out of uniform have the option of purchasing a shirt or clocking out and leaving the campus until dressed according to these regulations.

Students must wear professional attire, at the instructor's discretion, at all times. Shorts, short skirts, and sweat pants are specifically not allowed at any time. Capri pants at least 2" below the knee are acceptable.

Students will be required to wear a smock or apron whenever working in the clinic area. Students must wear clean, professional-looking, closed toe, shoes designed for standing and walking. Closed toe tennis shoes are allowed, but must be kept clean at all times. This is a safety measure. As a health service professional, good personal hygiene is a must. Students shall maintain good oral hygiene; hands washed, daily bathing, hairstyle befitting a professional hairdresser, make-up, clean face or neatly trimmed facial hair.

## **UNSATISFACTORY PROGRESS**

Any time a student has below a 75% in either academic and/or clinical areas, the instructor will inform them in writing of unsatisfactory progress. The student will be asked to sign a progress report. In case of violation of school regulations and/or disciplinary problems, the instructor will initiate progress reports. If the student does not show improvement, the result may be suspension or expulsion from the program. Graduation depends upon successful completion of the program. Students must complete all theory and clinical components with at least a 75% average and must not score less than 75% on more than two exams in one course.

## **STUDENT COMPLAINT AND GRIEVANCE PROCEDURES**

Students are to follow the following procedures when wishing to file a grievance. Verbal communication of alleged discrimination shall be made to the classroom teacher and/or the Director of Vocational/Technical School. Unresolved complaints may be taken directly to the Title IX Coordinator, Assistant Superintendent –Personnel. Complaints not resolved may be filed as formal written grievances under the following procedures. Students present their grievance in writing to the PBTCC Director. This must include the filing date, description of alleged grievance, name of school staff involved and the student's signature. Upon receipt of a written grievance, the Director will:

- Notify the Assistant Superintendent-Personnel
- Make a decision no later than five (5) days following the filing of the formal complaint.
- Provide the complainant with a resolution in writing within five (5) school days. If a grievance is not resolved satisfactorily to all parties, the student has the opportunity to request a hearing with the Board of Education.

A Civil Right Grievance may be appealed directly to the U.S. Office for Civil Rights. Contact information will be provided upon request.

## **APPEALS PROCEDURE**

A student wishing to appeal must notify the PBTCC Director in writing within 5 days. The student will be given the opportunity to defend himself/herself in the presence of the Direct, Adult Coordinator and program instructor. This committee may render a decision of acquittal, probation or expulsion based on the facts provided.

The student has the prerogative of appealing this decision to the Poplar Bluff R-1 School District's office of the Superintendent of Schools within two (2) days for reconsideration of the decision of the Committee. The Superintendent's decision shall be rendered within five (5) days. The student may appeal the Superintendents decision to the Board of Education. Such requests must be made in writing. Both parties may be represented at the hearing. The Board will hold such a hearing with due consideration of all aspects before finalizing their decision.

## **GRADING**

Students will be evaluated in both academic and clinical settings. A written test will be given at the completion of each chapter. Upon completing a practical skill a student is evaluated by an instructor and receives a "practical test grade" on a rubric scale while performing the skill. During the second semester, the student's overall competency with customers is also evaluated and scored continually while student is on the clinic floor. This skill will be a component assessed for "practical test grade" assessments. Students will be evaluated for every service performed based on the outcomes of their clinical performances.

Of the services required for course completion, a minimum number of services (practical assignments) are assigned during each quarter grading period. Completing the required number of services in a timely manner is essential for the student to be able to complete the course within the allotted amount of time. A student's practical assignment grade during a given quarter grading period is determined by the percentage of the required number of services completed during that quarter time period. To meet course completion requirements students are required to complete the overall minimum of required services regardless of meeting/not meeting the assigned amount of required services each quarter.

A student's overall grade will be determined by the following formula for any given grading period: 50 % Written tests - 50 % Practical tests/assignments and Participation grades. Written and practical tests missed due to an excused absence may be made up. It is the student's responsibility to schedule the make-up test with the instructor. This must be done within two days of the student's return to school following the excused absence. If this is not done, the student will receive a zero for the missed test.

## **PERMANENT RECORDS**

A permanent record of each student's grades, attendance, achievements, etc., is kept at the Technical Career Center in Poplar Bluff, MO, in accordance with the Board of Cosmetology and Barber Examiners of Missouri. Records may be reduced in size 5-7 years after completion to only required information.

## **COMPLETION**

Upon satisfactory completion of 1220 hours in the cosmetology program and completing the required number of individual services, students will receive a certificate of completion and may be eligible to take the State Board Examination.

## **CLINICAL ASSIGNMENTS**

Patron appointments are evenly distributed between students. Appointments are scheduled from 10:00 a.m. to 2:30 p.m. Requests by customers are honored whenever possible. Students must do the service(s) assigned to them or clock out for the remainder of the day. Students will have responsibilities for cleanup of clinical areas.

The job of receptionist is assigned on a rotating basis. The receptionist will receive experience in scheduling appointments, making change and greeting patrons. Students are also assigned to the dispensary on a rotating basis. This includes determining items in short supply, keeping records of items dispersed, laundry, and restocking consumable items. Students are responsible for cleaning all areas, including sweeping the floors, and washing all counter surfaces.

## **DAILY SCHEDULE**

Students in the Cosmetology Class attend classes Monday—Friday. For the most current daily schedule, contact the cosmetology office or refer to the current year student bulletin. Students are assigned a 30 minute lunch break. Two 15 minute breaks are allowed with one being taken in the am time frame (9:30-12) and one being taken in the pm time frame (12-3). Students arriving to school more than 10 minutes late, a.m. and/or p.m., may not be eligible for break during the portion of the day for which they arrive late. A p.m. break must be taken one hour prior to dismissal time for the day. School Calendars will be adjusted to allow for the New Year.

## **SAFETY**

**Fire Signal:** Continuous ringing of the bell. Students calmly leave the building through the front door fire exit to the far side of the parking lot.

**Tornado Signal:** Series of 3 rings. Students must sit in the hallway

**Earthquake Signal:** In most instances there will not be sufficient time for a bell warning. If possible, the same bell procedure will be used as for a fire. Students must crawl under desk or tables when tremors are felt.

## **GUIDANCE**

Time is provided in the schedule for students to seek guidance for personal or scholastic problems. The faculty, coordinator, and/or vocational counselor are available for counseling. Referrals are made as appropriate.

## **VISITORS**

**Children, relatives, friends, or employees are not permitted to be in attendance during school hours because of regulations and/or legal implications. This includes both classroom and clinical areas.**

## **ADDRESS AND TELEPHONE NUMBERS**

Current addresses and phone numbers of the student must be on file in the coordinator's office. Phone numbers of the school and clinical facilities will be provided to the student's family for emergency use only. If the student is needed while in the clinical area, the instructor is to be contacted and will then contact the student.

## **USE OF TELEPHONE**

Only in cases of emergency will students be called to the telephone during class periods. The office and counter telephone is for school business. A phone is provided in the main office for student use. All student phone calls must be from the student phone. Cell phones and pagers are not to be used on campus during the school day as they are a disruption and detrimental to the educational process. Violation of this policy may result in the student begin sent home for the day or the cell phone being held in the office until the end of the day. Continued violation of this policy may result in further disciplinary action.

## **LIABILITY INSURANCE**

All students are covered by general liability insurance.

## **RE-ADMISSION POLICIES**

### **Students terminated in satisfactory academic/clinical standing**

A student who has withdrawn from the program in satisfactory academic and clinical standing may submit a written request for readmission to the coordinator. Readmission is granted on the basis of space available and for one time only. A fee of \$250 will be assessed for reinstatement. The amount of tuition and fees due will be assessed by subtracting the amount previously paid from the current total program cost. Any student readmitted will be required to take an exam in any course already completed to demonstrate knowledge retention or may repeat the class. They will be required to complete the class if the exams are not passed with a score of 80% or above. If a student must repeat a class, they will be expected to be in attendance at each class session and they will be counted absent if not presents. The date they must return full time will be calculated by taking the date they withdrew and backdating the number of hours missed in the previous year of attendance.

### **Students Terminated for Cause**

A student who had been dismissed from the program, may petition for readmission by submitting in writing a request to the Director of Vocational Education. The petition will be submitted to a readmission committee composed of the Director of Vocational Education, The Cosmetology coordinator, and three other members not directly associated with the Cosmetology program. These additional; three members will be agreed upon by the Vocational Director, Cosmetology Coordinator, and the student. If approved, the student will be readmitted for this one time only. A fee of \$250 will be assessed for reinstatement. The amount of tuition and fees due will be assessed by subtracting the amount previously paid from the current total program cost. Any student readmitted will be required to take an exam in any course already completed to demonstrate knowledge retention or may repeat the class. They will be required to complete the class if the exams are not passed with a score of 80% or above. If a student must repeat a class, they will be expected to be in attendance at each class session and they will be counted absent if not presents. The date they must return full time will be calculated by taking the date they withdrew and backdating the number of hours missed in the previous year of attendance.

Any student that is readmitted will be required to complete the same requirements for graduation as do other members of the class to which they are admitted. They will also be required to follow the same policies and rules/regulations of the current handbook.

A student who attended under the secondary student status as the time of termination would be required to pay the readmission fee and the prorated tuition amount for the remainder of the class needed to fulfill completion requirements. The prorated amount will be based on the calculated return date.

### **WITHDRAWAL**

If a student wishes to withdraw from the program and also remain in good standing, he/she must contact the coordinator and submit in writing a statement that gives the reason for withdrawal. Any part of a student kit or any personal belongings that remain at the school 15 days after that student's termination/graduation will become the property of the school.

### **School Calendar**

**Holidays:** This program operates on the same schedule as the Poplar Bluff Public School System. On holidays that are observed by the Poplar Bluff R-1 School System, this program will not be in session.
